Bank Accounts & FDs

▪ Types of Bank Accounts

- NRE Account – A savings account maintained in INR where you invest your foreign income earned outside India and earn 3.5% tax free interest.
- NRO Account – A savings account where you can maintain and manage your income in India by way of rent/dividend property sale proceeds etc. The interest earned of 3.5% is taxable in nature.
- SNRR Account – Special Non-Resident Rupee Account is generally opened by any person out of India who has business interest in India. There is no interest payment on these accounts.

▪ Types of Fixed Deposits

- NRE Term Deposit – This is a tax free and fully repatriable Indian rupee deposit account opened by NRI's/PIO's to earn safe and guaranteed return from the income earned through foreign sources.
- NRO Term Deposit - This is an Indian rupee deposit account opened by NRI's/PIO's to earn safe and guaranteed return from the income earned either through Indian or foreign sources. Interest earned through this is taxable at maturity.
- FCNR (B) Deposit – This is a tax free and fully repatriable deposit in foreign currency which a client can book in 6 different currencies as long as he is a NRI. The minimum tenure is 1 year for such deposits.
- RFC Deposits – A Resident Foreign Currency Fixed Deposit gives an opportunity to NRI's who have returned to India for good but would like to continue maintaining their overseas earning in foreign currency.

Rupee Advantage Plan (RAP)

- RAP in simple terms is an FCNR (B) Term Deposit held in permitted currencies (USD/GBP/EUR/JPY/AUD/SGD).The maturity payout is in INR and credited to your NRE Savings Account.
- **Features of RAP:**
 - No capital risk as money is invested as Term Deposit (FCNR), facility of Overdraft up to 70% of the principal FCNR value
 - No exchange risk as the maturity amount in INR is pre-fixed, irrespective of movement of currency involved++
 - Maturity amount fully and completely repatriable
 - Higher annualized return in comparison with NRE Term Deposit of a 3-year less one day tenure**
- **For Example:**

NRE TD	RAP
Book a NRE Deposit for 3-year less one day duration and you would earn an annualized yield of 5.85 % p.a.* under compounding option.	Book a Rupee Advantage Plan deposit for 3-year less one day duration and the return on your deposit can be significantly better in comparison to current returns of NRE TD.

++ The maturity value of the FCNR Deposit is converted to INR at the contracted forward rate, irrespective of the FCY to INR conversion rate on the date of maturity of the FCNR (B) Deposit

* NRE TD deposit yield as per current as on 30th June 2022. Kindly visit www.kotak.com for current applicable interest rates

Investment Services- Asset Allocation*

- **Helping you arrive at your desired asset allocation-**
 - Different asset classes offer different returns in terms of how long you stay invested in them. Since historical data shows that no single asset class outperforms others consistently, it is important to diversify your portfolio to the changing investment climate.
 - Asset allocation is the process of deciding how to distribute Private Banking among various asset classes and sectors. Your relationship managers aided by risk profiling tools help you develop the most appropriate allocation plan suited to your risk portfolio. So that your Private Banking can be carefully distributed among various asset classes like equity, debt, real estate and other alternatives to maximize your returns.
